An act to add Chapter 8 (commencing with Section 122335) to Part 6 of Division 105 of the Health and Safety Code, relating to dogs.

LEGISLATIVE COUNSEL'S DIGEST

SB 1578, as amended, Lowenthal Dogs: tethering prohibition.

Existing law contains various provisions relating to the health, safety, and humane treatment of animals, such as birds, horses and other equines, and animals performing in traveling circuses and carnivals.

This bill, with specified exceptions, would prohibit a person from tethering, fastening, chaining, tying, or restraining a dog to a dog house, tree, fence, or other stationary object.

This bill would make a violation of its provisions an infraction or a misdemeanor. By making a violation of its provisions a crime, this bill would impose a state-mandated local program. This bill would provide that it is not to be construed to prevent a person from walking a dog with a hand-held leash.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
