CITY OF SAN BERNARDINO – REQUEST FOR COUNCIL ACTION

Staff Report

Subject:

An Ordinance of the City of San Bernardino amending Section 6.01.020 and adding new Sections 6.01.160, 6.01.170, 6.01.180 and 6.01.190 to Title 6 of the San Bernardino Municipal Code requiring mandatory spay/neuter of dogs.

Background:

The Animal Control Commission has had numerous discussions over the years about the large number of animals that are impounded in our area and the equally large numbers of animals that are surrendered to the City Animal Control Department by pet owners who no longer want them.

Recent comparisons of statistical data of animals entering shelters in our area show that the Inland Empire has the highest animal population numbers and the highest animal euthanasia rates in Southern California.

Last year our animal control department took in 16,149 animals. Of those, 11,552 or 71% were euthanized. These figures are from a population base of 450,000 which include our contract cities of Fontana, Loma Linda, Colton and Grand Terrace. In comparison, the entire City of Los Angeles with its 6 animal shelters only handled 47,000 animals with a human population of 3,700,000. The number of animal euthanized in Los Angeles was 19,367 or 41%.

Reducing the numbers of animals handled by our Animal Control Department is a viable solution to reducing our animal euthanasia rate. Introducing mandatory spay/neuter in our City and ultimately to the entire Inland Empire is not a drastic measure but rather a practical and relatively simple alternative to destroying unwanted animals. We have the opportunity to lead the way.

Mandatory spay/neuter ordinances are being considered by a number cities and counties across the United States. Los Angeles and Santa Cruz Counties passed mandatory spay/ neuter laws last year. Orange and Riverside Counties are considering similar ordinances this year.

Overview of Ordinance:

6.01.160 Mandatory Spay Neuter of Dogs

- A. No person may own, keep, harbor, or maintain a dog over the age of four months which has not been spayed or neutered. All dogs over the age of four months must be spayed or neutered.
- B. After the effective date of the ordinance, pet owners will have 60 days to come into compliance. (Failure to comply would result in a \$100 citation)

Exceptions:

- (1) Purebred dogs that are recognized and registered with the American Kennel Club (AKC), United Kennel Club (UKC), or other national registry and have competed a competition or show in the past year.
- (2) Dogs that are medically exempt by a Veterinarian.
- (3) Dogs used by Law enforcement Agencies.

6.01.170 Impoundment of Dogs

When a dog is impounded, the owner or custodian may reclaim the animal provided when one of the following occur:

- (1) The owner shows proof the animal is spayed or neutered.
- (2) The owner shall pay a spay/neuter deposit of \$100 and shall then have 30 days to have the animal spayed or neutered.

6.01.180 Denial or Revocation of Unaltered Dog License or Exempt status

The department may deny or revoke an unaltered dog license or exempt status when:

- (1) Pet owner is not in compliance with Section 6.01.160
- (2) The department has received at least one written complaint about the dog being allowed to run loose.
- (3) Pet owner was previously cited for violating a state law, county code or other municipal provisions relating to the care and control of animals.
- (4) The unaltered dog has been adjudicated by a court as dangerous.

6.01.190 Allocation of Fees Collected

All fines and forfeited deposits collected under Section 6.01.160 shall be paid to the Spay/Neuter Trust for the purpose of providing assistance to the public in the spaying and neutering of dogs and cats.

Financial Impact:

While there is no direct financial impact as a result of these ordinance changes, Council may wish to consider increasing the Animal Control Department's Spay/Neuter fund by \$10,000 next fiscal year in order to assist residents with spay/neuter costs. The department has allocated \$10,000 for public spay/neuter vouchers for the past two years.

Recommendation:

The Animal Control Commission unanimously approved the draft of the attached ordinance. The LRC reviewed and recommended forwarding the proposed ordinance to the full Council.

It is recommended that the ordinance be laid over for final adoption.

ORDINANCE NO.

AN ORDINANCE OF THE CITY OF SAN BERNARDINO AMENDING SECTION 6.01.020 AND ADDING NEW SECTIONS 6.01.160, 6.01.170, 6.01.180 AND 6.01.190 TO TITLE 6 OF THE SAN BERNARDINO MUNICIPAL CODE REQUIRING MANDATORY SPAY/NEUTER OF DOGS.

WHEREAS, there exists within the City a serious pet overpopulation problem, created through irresponsible pet ownership that has resulted in a serious threat to the safety, health and humane treatment of animals; and

WHEREAS, the impact of these animals includes, but is not limited to the indiscriminate breeding of unaltered animals, the transmission of disease, the injury of humans and other animals, the creation of hazards to vehicular traffic, and the drain of public finances; and

WHEREAS, the majority of animals received by the City Animal Control Department are pets that citizens voluntarily surrender, many thousands of which are euthanized because there are not enough homes for all the unwanted animals; and

WHEREAS, the idea of controlling and reducing the City's pet overpopulation problem through euthanasia is becoming increasingly problematic. History has shown that treating the symptoms of societal problem is useless without addressing the root cause of the problem.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COMMON COUNCIL OF THE CITY OF SAN BERNARINO DO ORDAIN AS FOLLOWS:

CHAPTER 6.01 Section 6.01.020 of the San Bernardino Municipal Code is hereby amended to include the following definitions:

II. **"Registered Animal"** means a purebred dog, recognized by and registered with the American Kennel Club (AKC), United Kennel Club (UKC), or other national registry.

Section 6.01.160 of the San Bernardino Municipal Code is hereby added and reads as follows:

No. 31

1 **6.01.160 Mandatory Spay or Neutering of Dogs**

2
3 A. No person may own, keep, harbor, or maintain a dog over the age of four months
4 which has not been spayed or neutered unless the dog is exempt as follows:

5
6 (1) The dog is a registered purebred as defined in Section 6.01.120, and has
7 competed in at least one dog show or sporting competition sanctioned by a
8 national registry within the last 365 calendar days or has earned a conformation,
9 obedience, agility, carting, herding, protection, rally, sporting, working or other
10 title from a purebred dog registry.

11
12 (2) The animal is unable to be spayed or neutered without a high likelihood of
13 suffering serious bodily harm or death due to age or infirmity. The owner or
14 custodian must obtain written confirmation to that effect from a licensed
15 veterinarian. The statement must also include the date by which the animal may
16 be safely spayed or neutered, if at all possible.

17
18
19 (3) Dogs used by law enforcement agencies.

20
21 B. After the effective date of this ordinance, pet owners will have 60 days to come
22 into compliance. New pet owners or pet owners new to the city, will have 60
23 days to come into compliance.

24
25 **6.01.170 Impoundment of dogs.**
